

CURRICULUM VITAE

PERSONAL INFORMATION

Name: KECHROUD MOHAMED DHAYA EDDINE

Address: Rue Houari Bou Madian, Berhoum, Wilaya de M'sila

Phone: 0777928432

Email: kecheroudeng@gmail.com | momo28dz@gmail.com

Date of Birth: 15/02/1995

Nationality: Algerian

Gender: Male

Military Service Exemption: No. 2014/9488

Marital Status: Single

Driving License: Class B

PROFESSIONAL EXPERIENCE

Civil Engineering Assistant

Bureau d'Étude BERHOUM

2017

- Assisted in project evaluations, including preliminary measurements and attachments.
- Monitored construction sites, ensuring compliance with project specifications and quality standards.
- Conducted inspections of rebar installations and tracked progress of ongoing works.

Internship

Construction Site in M'sila, Kechroud Imad

March 2018 - 2020

- Gained hands-on experience in site management, including measurements, cost estimation, and site setup.
- Worked on foundation designs and material selection, focusing on reinforced concrete and structural calculations.
- Developed formwork plans and architectural layouts, enhancing my technical drawing skills.

Civil Engineering Assistant

Bureau d'Étude BERHOUM

2020 - 2021

- Collaborated with senior engineers on various civil engineering projects, contributing to design and analysis tasks.
- Assisted in project documentation and reporting, ensuring all records were accurate and up-to-date.
- Engaged in team meetings to discuss project progress and address any challenges faced on-site.

EDUCATION AND TRAINING

Baccalauréat

2015

Higher Education in Civil Engineering

- 1st Year: Science and Technology (Common Core)
- 2nd Year: Civil Engineering (Common Core)
- 3rd Year: Civil Engineering Department
- **Diploma in Civil Engineering**

June 2018

Master's Degree in Structural Engineering

- 1st Master: Structures
- 2nd Master: Structures
- **Diploma of Engineer in Structural Engineering**

2020

Entrepreneurship Diploma

- Accredited in Civil Engineering and Construction Supervision by MHUV

SKILLS

Technical Skills:

- Proficient in software tools such as Microsoft Office (Word, Excel), SAP2000, AutoCAD, ArchiCAD, and MATLAB.
